A LOOK BACK ON 2022

Sandy T. Williams is ZCenter's new Executive Director. She brings a passion for helping survivors and a wealth of experience leading non-profits. Our leadership may be new, but ZCenter's mission to mobilize the community toward ending systemic sexual violence while amplifying the voice of survivors through trauma-informed care, advocacy, and prevention education remains the same.

Meet Blair and Beau, cartoon characters used in our pre-k-2nd grade prevention education workshops. We are thankful for the creativity of our Prevention Education Team and the generosity of our funders to help bring this video series to life.

In 2022, ZCenter reconnected with our volunteers, supporters, and the community in-person. Our Race to Zero Charity 5k returned, bringing our staff and the community together to celebrate the work that we do.

Covid-19 impacted our clients and our volunteers. We were fortunate to have our volunteers stay committed to our mission and we welcomed new volunteers as the world re-opened.

Coach Matt and Kelly Eberflus chose to represent ZCenter as their charity for "My Cause, My Cleats." Their generosity with the collaboration of the Chicago Bears helped bring awareness to our work. We are grateful for their partnership.

Our commitment to supporting survivors has never waived.
